Dear Sirs:-

We are in receipt of a communication, under date of June 8th, from Mr. Arnold Sprecher, at the Refugee Camp, Sherbrooke, Que.

He writes us to say that he is a tailor by trade, 27 years of age and if we could give him employment, he could be released from the Internment Camp.

Knowing that you are looking after the refugees in the different camps, we wish to inform you, that we would be open to give the above party employment, providing the Government will release him.

Hoping to hear from you, we remain,

Yours truly
